TO: **Heritage Bank Limited ABN 32 087 652 024** ("Heritage") and to each Participating Member and Appointer (as those expressions are defined in the Regulations of the Bulk Electronic Clearing System (CS2)) which from time to time participates in the Bulk Electronic Clearing System (CS2) ("**BECS**").

_____ ("Credit User")

HEREBY APPLIES to become a Credit User in BECS from time to time operated by the Participating Members (which includes Heritage).

The Credit User HEREBY ACKNOWLEDGES that Heritage is at liberty to accept or decline this Application. If the Application is accepted by Heritage and any financial institution thereafter accepts and acts on instructions given by the Credit User in connection with BECS by use of that financial institution's BSB Number, the Credit User AGREES that in consideration thereof, subject to any warranties implied by statute into a contract for the supply of services between Heritage and the Credit User which cannot be excluded, restricted or modified by a term of the contract, it shall become bound to each such financial institution in the following manner:

1. The Credit User shall comply with all the obligations of a Credit User of BECS as advised by Heritage and any amendment, modification or replacement thereof from time to time issued by Heritage or by any other Participating Member or Appointer which may hereafter become Heritage in respect of the Credit User.
2. The Credit User shall obtain from every customer of a financial institution whose account the Credit User wishes to instruct that financial institution to credit through BECS, the correct title and account number of that customer's account, and shall correctly include such particulars in the acceptable media containing the Credit User's instructions.
3. The Credit User hereby agrees to indemnify and keep indemnified each Participating Member and Appointer, which from time to time participates in BECS, from and against all losses, outgoings, demands, damages, claims, actions, suits and proceedings whatsoever, arising directly or indirectly out of or in connection with any failure by the Credit User, or a Bureau acting for the Credit User, to observe any obligations of a Credit User in respect of BECS.
4. If the Credit User without the prior written approval of Heritage engages a Bureau to prepare and/or lodge acceptable media by which the Credit User's instructions are given to a financial institution, the Credit User's obligations will not in any way be affected but its engagement of a Bureau or Heritage's approval thereto.
5. The performance of the Credit User's obligations in respect of BECS may be enforced by any Participating Member or Appointer which from time to time participates in BECS or by Heritage on behalf of any of them.
6. The termination by Participating Member or Appointer of the direct credit engagements between the Credit User and that financial institution will not affect the Credit User's obligations in respect of BECS to each Participating Member or Appointer which from time to time participates in BECS.
7. All implied conditions and warranties (statutory or otherwise) except for warranties or conditions implied by law upon Heritage which are not capable of being excluded are hereby excluded from the agreement between the Credit User and Heritage in respect of BECS and save as aforesaid there are no understandings, agreements, representations, conditions or warranties expressly or impliedly given by Heritage, not specified herein, which relate to BECS or the services to be provided by Heritage or by any Participating Member or Appointer pursuant to BECS.
8. The Credit User acknowledges that:
 - (a) all Credit Items received by a Ledger FI will be processed in accordance with the BECS Procedures;
 - (b) a Ledger FI is entitled to rely solely on the Account Number Details provided by the Credit User when processing Credit Items received from the Credit User;
 - (c) a Ledger FI is not required to check that the Account Number Details provided by the Credit User are correct or that the account name provided by the Credit User corresponds with the name of the holder of the account maintained by the Ledger FI; and
 - (d) the Credit User shall not be entitled to make a claim against Heritage or any Participating FI (including the Ledger FI) if the Credit Item has been processed in accordance with the Account Number Details provided by the Credit User.

(Note: For the purposes of this sub-paragraph 8, Account Number Details means the BSB number and account number or, in the case of a Ledger FI which has a unique account numbers system, the account number only.)

The Credit User also gives the acknowledgements and makes the agreements set out in the attached Credit User Application Addendum.

The Credit User certifies that the foregoing undertakings are within the powers of the Credit User to give.

CREDIT USER APPLICATION ADDENDUM

TO: Heritage Bank Limited ABN 32 087 652 024 ("Heritage")

The Credit User named in the attached Credit User Application acknowledges and agrees with Heritage that:

1. The Credit User has received a copy of the terms and conditions governing the Heritage on-line business internet banking facility and that the terms and conditions set out in this Credit User Application Addendum are in addition to and not in substitution for any of the terms and conditions governing the Heritage on-line business internet banking facility.
2. Terms in this Credit User Application Addendum which are defined in the BECS Regulations and BECS Procedures have those defined meanings. (Note: For information on BECS and the BECS Regulations and BECS Procedures, see www.apca.com.au).
3. Use of the BECS method of payments referred to in the Credit User Application relies upon a batching system for payments irrespective of the number of transactions comprised in that batch and accordingly:
 - (a) a batch cannot be processed unless sufficient cleared funds are present in the Credit User's account with Heritage at the time the batch is to be processed; and
 - (b) Heritage has no obligation to advise whether a batch will not be processed because of insufficient funds or for any other reason whatsoever; and
 - (c) batches will be processed in the order of receipt by Heritage but in the event that there are insufficient funds in the Credit User's account at the time a batch is to be processed, Heritage will not be required to process the batch at a later stage if sufficient funds are placed in the account except by way of a fresh batch being lodged by the Credit User; and
 - (d) the Credit User acknowledges that upon forwarding of any batch by Heritage to BECS, Heritage will have no further control over the processing or distribution of such payments and accepts no liability or responsibility for the correct payment and distribution of same; and
 - (e) Heritage will not credit the Credit User's account in respect of any payment forming part of a batch unless and until Heritage receives an unconditional credit for such payment from BECS.
4. The Credit User must ensure that any File containing direct credit transactions conforms to specifications prescribed by the BECS Procedures or advised by Heritage from time to time.
5. The Credit User must notify Heritage of any proposed change to the Credit User's business name or merger or transfer affecting the Credit User's business. The Credit User must not continue to lodge Files after any such change, merger or transfer unless a fresh Credit User Application has been lodged with and accepted by Heritage.
6. The Credit User must notify Heritage if the Credit User wishes to cancel the acceptance of the Credit User Application (i.e. if the Credit User no longer wishes to lodge Files containing direct credit transactions).
7. The Credit User acknowledges and agrees that:
 - (a) Files which are properly lodged according to the BECS Procedures and BECS Regulations will be processed in accordance with the BECS Procedures and BECS Regulations (and that may not necessarily be the same or even the next day); and
 - (b) Heritage cannot guarantee that the intended recipient of a direct credit transaction will receive those funds or receive the funds at any particular time; and
 - (c) to the fullest extent permitted by law, Heritage accepts no liability or responsibility for an error contained in a File or any delays in processing a File (including an error or delay relating to the provision of incorrect Account Number Details as defined in the Credit User Application).
8. The Credit User acknowledges receipt of a copy of the Credit User Application and Credit User Application Addendum at the time of execution.

Heritage Online Business Help Guide

In addition to the standard features you would expect, Heritage Online for business customers, allows you to upload and authorise electronic banking files (batches) to process payroll and creditor payments. In order to use Heritage Online, your computer should have the following:

- Accounting program with the ability to prepare files in ABA/BECS format

When you registered for Heritage Online you should have received a security token plus a 6-digit Direct Entry User Number (also referred to as an APCA number or banking number). The Direct Entry User Number along with the Banking Code "HBL" will need to be entered to your accounting system in order for batches to be created.

Getting Started

- Go to heritage.com.au
- From the Heritage Bank homepage, select 'Login' in the top menu.

- Enter your Heritage member number (the number that precedes any S, L or I in your account number).
- Enter your password either directly from your device or via the Virtual Keyboard.

- Go to the Business menu on your internet banking screen, then select Upload Batch

Need further assistance?

If you are unable to process Batches, please use the Help menu to get further help.

If after following these instructions you are still unable to upload Batches to Heritage Online Business Netbanking, please contact Business Banking on 07 4694 9007 for further assistance.
